June 10th 2013

Her Royal Highness
Queen Elizabeth II

A warning to those who will read this letter to her Majesty, if it is not delivered to her immediately, your future is assured, Hell.

Your Majesty,

With the greatest respect I hope that you are well, and your husband Prince Phillip will recover quickly. I met him as a child in Sydney.

My name is Brian Leonard Golightly Marshall; I am the man Pope Benedict XVI wrote an Apostolic Letter "In Christum Credunt" stating he believed that I am the Christ, The Word of God re-incarnate, up-loaded to the world March 25th 2013.

I will make it clear to you I am back as the Father and the Judge. I have judged the Jews who call themselves Jews and are not. I am not judging the Muslims or the peoples of the world, they have been deceived and are innocent being entirely manipulated by the devil in man, the Jews they must be stopped as they are planning the complete destruction of the earth through their insanity and they intend to start WWIII.

America, Obama the undertaker pledging to supply Israel the means to do it, while fuelling and arming the rebels who are not Syrian fighting and slaughtering innocents in Syria, just as Israel has inspired the Muslim attack against a young Englishman in Britain recently, it is what they do best, cause the conflict to destroy all but themselves.

Now I will explain the course of events during March this year.

His Holiness was contacted by one of my people in Germany via a Face Book page created in November 2012 as a tribute to his Holiness Pope Benedict XVI upon his retirement when he became the Roman Pontiff Emeritus Benedict XVI.

Once his personal secretary Archbishop Georg Ganswein responded to my disciple, then a brief opportunity existed for her to give Benedict information and my photograph which he requested, his response was to demand communication with me immediately.

Pope Benedict XVI was preordained to respond and believe.

My wife Janelle Margaret Golightly Marshall was contacted by Father Giuseppe Civello, Benedict's confidant and good friend through the Facebook instant messaging; His Holiness was ready to talk with me through live email.

He asked if we could communicate by email, which I agreed to as this has several advantages; we would have a copy, saved on backup computers and printed for the world to read. I do nothing in secret, and this letter to you will also be made available for the world to read and judge.

During our conversation, arranged by Father Giuseppe and my wife the times His Holiness would be available, I told Benedict that the Vatican will be eliminated and he will be the next Pope after its collapse. Naturally he was curious and I said prophecy cannot be broken, as follows:-

"And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition."

Revelation 17:11.

The Vatican became a city state in 1929 and ends with the last pope remaining, so although he resigned, it was a forced issue by the powers behind the hierarchy men of evil intent, and in doing so made the way clear for them to take over the power base absolutely, by bringing a fool as Pope who has no idea what is going on.

I pointed out to His Holiness he cannot resign his position as Vicar of Christ, and as such his Apostolic Letter has the same importance as if he had not resigned. Simply put, a pope cannot retire from being the Vicar of Christ but can abdicate as king as the state required both in the one man, pope and king.

I advised His Holiness he is still the Pope regardless of the conclave since all of the Cardinals were notified Christ is now made known. Church Protocol is specific on this point, when a pope makes a statement of such monumental importance all cardinals must adhere to the letter of the law it imparts upon the church.

This logically should have stayed the proceedings to elect a puppet pope chosen by the Israelis, the whole idea is to arrest the pope and destroy the church. However when a man such as Benedict XVI has made an announcement Christ is back and he has met him, and believes absolutely this person is Christ, it should have been investigated. Had Benedict made the statement prior to his retirement, he as the Vicar of Christ the announcement would have echoed throughout the world and arrangements made accordingly.

The Jews are the enemy of Christ John 8:44, and as such I remind you that it was John I on May 15th 1213 that officially handed the throne to the Catholic Church and for a good reason. My ancestor King William I the Lion, would not bow to England as the agreement was still in force as it is today. Unless the pope agrees then a monarch has no authority.

The situation now is that there is a moron sitting in the power position as pope, Francis who has played into the hands of the Jews.

The events are somewhat position and aged related, a man of 86 who has been devoted to the church and acts precisely as the Gospels compel a follower of Jesus to do, turns the other cheek and forgives his enemies.

I whole heartedly agree to a certain point, in my case however I am not as forgiving as Pope Benedict, as there is one sin that will not be forgiven and that is to offend the Holy Ghost which is Me, the consequences of doing so recorded in Matthew 10:28 “And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell.”

Benedict spoke highly of you, inquiring after your health; he was unaware of the legal manoeuvres against the church, himself and yourself being held accountable for the crimes of child abuse and murders by members of the churches in the past.

His Holiness told me he retired as he could not rid the church of its filth; he had attempted to do so as Cardinal under Pope John Paul II and was stopped, then as Pope surrounded by factions operating through self interest could not do so.

His Holiness and yourself were put on trial in your absence and found guilty and sentenced to 25 years in jail with an international arrest warrant issued for the two of you as well as 3 others. The next move is to dissolve the Vatican and eliminate the seat of Christ, for they have known for a very long time I am back, born on 11th January in 1944 at 2:22am, the day and the hour I the Father have been revealing to a lost and devoured world.

I am fully aware Pope Benedict and you are in somewhat similar positions surrounded by evil powers that have no intention of ever listening to any order from you or his Holiness.

It was your father George VI who said to you as a child, that when the Christ makes his presence known to you during your reign, then you are to hand over the throne to him and stand down. I am sure your father was in a similar position surrounded by powers he had no control over either.

The Pope and I began our lengthy discussions on March 10th 2013, we talked about many of my personal life experiences and in particular the many occasion's angels and my mother Mary appeared to me as a child. The first time was in a school yard at Saint Bernard's Convent. She told me things I did not understand until decades later, that we were Essene and our enemies were the Jews.

In reality the enemy of all mankind are the Jews who evolved out of Kazaria an area in southern Russia, Magog, they were Mongolian traders on the silk run and amassed a fortune to eventually grow into a large population. Around 800 AD they adopted Judaism when Rabbi's working on their grand Talmudic plan saw an opportunity to gain a kingdom of people very prone to evil.

The Torah is not sacred text, it is demonic and for those inclined to do evil supported the idea so much so the Jews purporting to be the chosen people were in reality not Jews at all, and today if one was able to genetically trace their roots back to Jerusalem as 'Jews' the truth is they were not of Judah but were Idumean supported by Rome and later Herod.

I and my family were Essene of Carmel which later became known as Nazareth. The Essene of the Dead Sea Scrolls were not the same and they inclined to their own lusts known as Herodians by 33 AD and in league with the Idumean fell for the trap of sending me to the cross.

The move to have yourself arrested along with the Pope and 3 others is Israeli in origin, and is about stopping me from becoming the King of British Israel as well as Head of your church and the Catholic Church. By legal manoeuvres the head of large organisations such as a crown corporation, sets up the head of a church or kingdom as responsible. If you were to abdicate in favour of your son or grandson they become the next target and indeed they would be vulnerable and arrested.

This is intended to dissolve the 'Everlasting Kingdom' as well as the Churches, the largest the Catholic Church with 1.2 billion members.

In 1143 Malachi made a pilgrimage to Rome from Ireland, while there he had a vision and named the next 111 popes. Benedict was named as the last, but one of the seven of the beast would be the final pope named Petrus Romanus or Peter of Rome, meaning Benedict as he is the only living pope of the seven men who were dual king and pope of the Vatican City state. Malachi predicted the Church of Rome would be destroyed, and I am the author of it.

Very few members of the church in high positions are righteous, in fact they worship Lucifer and under Saint Peter's Basilica are rooms which contain all of the demonic evils of the past and the main character is Lucifer sitting on a white horse. I will leave it there as it is a subject more complex than these few pages can adequately relate.

So in any chess game the strategy is to use the weakness of the opponent against itself, so the Israelis driven by the Talmud Zionists have set the stage for the Kingdom of David to be under their control and the Vatican will be no more, this will release his Holiness from bondage as he has been imprisoned since April 3rd 2013. But waiting for him will be the Israeli organised gang to arrest him, and you are next.

You can end it all by agreeing with the pope that I am the Christ and certainly am the most royal man alive descended from King William I the Lion via mother and father as well as the Irish kings and Hapsburgs.

The Pope in his last communication with me, asked me to let the world know via my followers and the electronic media of his being a prisoner of the Vatican like Pius IX. I replied I was coming to Rome and that was the last communication between us as his office had been forcibly taken over by Francis' Investigators, thugs from Argentina who physically knocked his Holiness to the ground and kidnapped his Papal staff.

Shortly after the Investigators for Francis sent emails using Benedict's personal email account, to my office stating Benedict's friend and confidant Father Giuseppe Civello was no longer a priest, and they will not tell me where he has been taken. They also said that Sister Maria Della Rosa his biographer had been sent out of Italy and they would not tell me where she has been sent.

All rather infantile as these men being Argentinean thugs unaware the emails are recorded in servers and saved on hard drives are available as evidence which has all been printed and uploaded.

Now the Jews are the problem John 8:44 is adequate, I said it then and say it now.

Hitler in Mein Kampf had it right, he said unless the Jews are stopped the world would be left a lifeless orb drifting through the ether of space.

They were responsible for the assassination of John F Kennedy, Vietnam, and as far back as you care to follow the proofs WW2, WW1 and flood the world with relentless propaganda via news media monopoly they own and monetary domination, Rothschild the kingpin.

There are two end time witnesses, you and Pope Benedict XVI, and he will be the new pope when the church is collapsed under the Vatican millstone to be revived, the beast that was wounded to death but did live.

I renamed Benedict Pope Petrus Romanus Peter of Rome, not in Rome. He will introduce Vatican III.

His Holiness asked me what I thought of Vatican II. I said it was a disgrace and allowed every abomination into the Vatican as a path to heaven without the narrow way of myself. I responded with Vatican III which he was overwhelmed with and said it solved all of the church problems and indeed the world problems concerning health and economics for all peoples.

I have enclosed Benedict's Apostolic Letter, my image within the Shroud of Turin photograph; the blatantly obvious for the pure in heart who I promised would see God.

It is my suggestion that you make time to see us at your earliest convenience.

We have much to discuss, I will present you with all of the evidence of myself recorded within My Creation should you ask for it, however it is not an election and your part is like Pope Benedict, to become the heroine by announcing My return and in doing so, we will overturn the kingdoms of this world to become the Kingdom of God and we shall build Paradise together for you to see and enjoy with your great grandchildren to come.

I am totally aware of your situation, those of evil and the direction family members have been lured to follow. I am prepared to forgive as long as they repent.

Over the last few days we have been uploading facts concerning the shift of the axis of the earth, the ramification of this physical reality is devastation for Europe and North America, China and the Middle East as far as Siberia and Iran. Equatorial nations will not be adversely effected nor the nations south of the equator. The new axis is now on the coast of Herne Bay. This causes the sun to set north travelling from the west eastwards as observed

from Folkestone. Going into any underground bases prepared for the rich to survive My judgment would be absolute folly, since they will become the tomb of all who do.

Now it all stops, wars and germ warfare in foods and vaccination as a depopulation agenda, as soon as you announce your acceptance of the Declaration and Notice of Claim I sent to you which was received and signed for by your agent in 2010 June 14th.

No response means acquiescence, and I remind you that the Holy Bible would not have become a reality if it were not for Elizabeth I, who nominated King James VI of Scotland as king of England forming the Union of Jacque or Jack his French name, Mary spoke French.

She Elizabeth, influenced by the Earl of Oxley Edward de Vear, he William Shakespeare, took his advice seeking repentance and forgiveness on her death bed, for the beheading of Mary all the while defying the British parliament who regarded the Scots as less than dogs, a similar situation that you find yourself in now with My having made My presence known to you.

I assure you I can do what ever is necessary to protect you and the Pope and establish a kingdom for the children of the world for the first time in history and the last time in history as per the Lord's Prayer.

The world is on the brink of WW3 all Israeli driven, yet the finger of blame is pointing directly at you.

If they cannot rule the world they will destroy it, not considering the name Emmanuel Matthew 1:23 meaning God with us.

In fact the Jews who call themselves Jews and are not, believe I am the creator more than the Christian masses do, the Protocols of Zion number 14, "we shall forbid Christ", is an admission Christ was and is today a man.

I am an open door, it is that simple, Revelation 22:12.

We were in Edinburgh at the Office of the Church of Scotland, we were assured Reverend Lorna Hood would be presented with the evidence we left for her, we also hand delivered similar to the Governor General Quentin Bryce in Australia August 18th 2009, and expected she would present the same to you personally.

Letters of similar evidence and the Apostolic Letter have been sent to the Archbishop of Canterbury Justin Welby. Our problem has always been the obstructions surrounding you and did not expect you would be notified, or if so taken seriously, since I am rejected by those of darkness.

Verging on WW3 Israeli driven and as such this is entirely anti Christian the cause is entirely religious, specifically the Rabbinical Talmudic domination of Christianity and Judaism, the abomination that makes desolate is the Talmud and the Torah, I condemned them as Jesus.

If the average citizen be they Christian or Jew were aware Christ is here, then both would welcome the Messiah, the Jews for example, their leading Rabbi now deceased, made a statement that he had an angel visit him and revealed to him the Jewish Messiah. Stunning the rabbinical world obsessed with the anti Jesus Talmud he died and left instructions, his name Yitzhak Kaduri. The second part of his message was to be opened after the death of Ariel Sharon, he on life support since 2006. The Israeli government has covered up his condition, technically he is dead. Kaduri named Yeshuah or Jesus as the Messiah.

Syria, the president is a saint, there is no anti Assad movement, yet the western world is supplying weapons to the mercenary rebels financed by Rothschild the same scenario as Libya and the murder of Gaddafi who ran his nation as I will My Kingdom, for the benefit of the people.

As for Islam, Pope Benedict said it best, “what good thing has come out of Islam that has not been gained but at the tip of the sword?” they are antichrist.

Palestine is the Holy Lands and the people are the Holy People, Moses forbade occupation of the Promised Land because of the evil of the Hebrews. The script has been written to deceive by the Pharisee priests who are the Jews who call themselves Jews and are not, through religion not genetics. The House of David being British, My bloodline as Jesus through Nathan not the evil Solomon, the black witch, whose first act as king was to murder his brother Adonijah the rightful king.

Bashir al Assad, is an El-o-ist and believes in Jesus as did his father. Assad is a surgeon who is renowned for operating on people with eye problems, his wife is English. They took in and have been providing for 1.5 million refugees from Iraq.

Obama, all of his administration are Jews, he is a member of the Satanic Skull and Bones out of Yale, his bones man name is ‘Undertaker’ see where it leads.

You can stop the slaughter; it is that simple, make a public announcement.

It can all be stopped, I have Pope Benedict and all that is required is your approval.

Keep it simple, the two end time witnesses are you and Pope Benedict XVI who is presently held prisoner in the Vatican by Francis and evil men in high positions.

If I was you, I would declare war on the Vatican for preventing the announcement of the Christ returned and send in the paratroopers and get Benedict out, as directed by The Lord Jesus Christ in the flesh, myself.

To hold either of you a prisoner is contrary to your divine right as Monarch and he as Vicar of Christ, abdication under any circumstances is not valid, period.

His Holiness wrote the Apostolic Letter and it is available on the internet in 17 languages.

My people have hundreds of internet pages for me, and there are just as many against me, however the prophecy holds, Psalms 118:22, I AM the capstone, rejected by the builders.

In Creation the Earth is my footstool and likewise a method of reading the earth was necessary, this is where King James entered the picture.

His enemies were those who sought to make war with the Catholic Church and in doing so unwittingly handed a manuscript to the king for authorization, he responded by saying he wanted to read the hand written work, his right hand man was Edward de Vear the playwright William Shakespeare. Count 46 words of Psalms 46 from the beginning and back from the end and you have two words Shake and Spear.

This is where the KJV 1611 took on the playwright’s flare of words and in so doing, the word count and position would be revealed by the James Strong’s Exhaustive Concordance 1830 era. These tools I use to reveal my identity and what follows are examples of the mountains of evidence I reveal.

Birth place St Margaret’s Maternity Hospital in Darlinghurst Sydney to the South Pole measures 3877 miles. The word God is found in 3877 verses.

My parents home at that time 105 Rothschild Avenue to the South Pole 3875 miles and is the word Comforter.. John 16:7 “Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you.”

Or

John 14:26 “But the Comforter, {which is} the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.”

Solar eclipses starting from the first after Lunation zero December 18th 1922 align with 204 layers of the Great Pyramid, the Altar to the Lord Isaiah 19:19-20.

14 days after I was reborn January 11th 1944 + 14 = 25th a solar eclipse occurred along the 25 degree latitude marking a sacred location being 8888.8 miles to my birth home. 888 is Jesus in Greek gematria. My brother now deceased was 8.88 years old on January 11th 1944 and the sunrise to moonrise was 888 minutes as it was for my birthdate as Jesus on June 17th 2BC. The Star of Bethlehem occurred a second time on my re-birth date January 11th 1944 over Sydney Australia, however no one talks about it.

I married at 22.28 years old or 1162.6 weeks this is the height of Mount Kosciusko Australia’s highest mountain 2228 meters and 116.26 Pyramid inches the width of the Antechamber off the King’s Chamber of the pyramid.

At age 8880 days I was in Port Alberni Canada the sunrise to sunset was 888 minutes and my daughter was born May 4th 1968. My daughter was conceived in Port Alberni on July 27th 1967 the planet Jupiter was overhead for 888 minutes and is 88,800 miles wide.

I stand 74 inches tall and weigh 222 pounds; the verse total for truth is 222 and also wisdom 222 verses. On May 4th 2004 all planets aligned to Saturn a man of my 222 pound weight totals 7353 pounds and this is the area of the Shroud of Turin 171 x 43 inches.

His Holiness Pope Benedict XVI had arranged as a parting gift to the world a showing of the Shroud. When he saw my face he realised it was an exact match bone structure etc and then after the Apostolic Letter he made a video and gave it as an introduction to the RAI TV broadcast the announcement that Christ was back, Salvator Mundi Brian Leonard Golightly Marshall.

Unfortunately not a wise move, as spies for the Vatican had Francis cancel the announcement then 3 days later, his thugs burst into the Papal Office, knocked his Holiness to the ground, blood flow from his ear, and a message was sent by his assistant what had happened and was for me to alert the world.

Your Majesty, what I have told you here is the tip of the iceberg of the evidence within My Creation recording that I AM who I say I AM, the genetics of family members all link to myself the Key of David Isaiah 22:22. Mathematically the chance factor is more than all the atoms in the universe to 1 that I AM the Creator and frankly I AM running out of patience, the angels are the reapers ready to clean the earth of all filth.

I will take over and when I do, the rule with a rod of iron prophecy will come into full effect. Make no mistake, I am here for the children of all, no religion necessary and it is not an election.

Your Majesty, the old system is over, I AM back, Lucifer is finished.

Your task is simple; announce my return as Benedict did.

You can be certain the Jews goal according to their Protocols of Zion number 24, is to have their king they control sitting upon the Throne of David and they believe they have it in your family just as they have their moron puppet in the Vatican. The King has to be genetic of Nathan.

The Jews invent disease, I cure it. The Jews steal and destroy through slavery unto usury, I release the yoke of slavery unto freedom, the Jew creates war and chaos through blood sacrifice and immorality, I bring peace, healing and righteousness unto the nations.

What will you chose for you and your family, God Almighty back again as I promised to establish Paradise and everlasting life upon the earth for all who believe in Me?

Matthew 10:28 "And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell." You are already in hell.

My mobile phone numbers are 0790 3177 343, 0790 834 1024, I can be reached through email at Yahweh@linuxmail.org, or the YouTube site SwordOfTruth888 a message to Joel our saint who uploads for us and moderates all.

The scribd site has all of the documentation of the conversations with the Pontifical Household as well as the Apostolic Letter in 17 languages…www.scribd.com/rising_spirit_1/documents.

Facebook page my wife Martha Marshall, has sent a message to the administrator of your official Facebook page as yet not viewed, we are holonetted so it may not even appear in the messages. Facebook was good enough for Pope Benedict; it will suffice for me at anytime.

We are heading to Wroclaw Poland from Tuesday 11th June; I am sure your spy agencies know where we are at all times, we will be pleased to return to England at any time upon your invitation.

Yours in peace and forgiveness,

Christ.
